- Cross-functional collaboration for timely issue resolution

Associate Software QA Engineer

Cedar Gate Technologies · Nepal | Feb 2023 – Feb 2024

- Functional, regression & smoke testing of healthcare payment app
- Defect identification, documentation & reporting via Veracode
- Collaborated with cross-functional teams for issue resolution

Computer Science Lecturer

New Millennium School · Nepal | Jan 2022 – Feb 2023

- Developed tailored learning plans, assessments & practical labs
- Mentored students — bridging theory & real-world tech application

KEY PROJECTS

Payment Technology Application

Cedar Gate Technologies

End-to-end QA of a US healthcare payment platform — functional, regression, smoke & API testing.

Data De-Identification Project

Jetstore Team Collaboration — Independent QA Lead

Full QA lifecycle management. SQL data validation for HIPAA compliance.

EDI Healthcare Integration Testing

Cedar Gate Technologies

Specialized EDI testing ensuring compliant data exchange in US healthcare ecosystem.

CS Education Curriculum

New Millennium School

Designed CS curriculum with practical labs & student mentoring programs.

TECHNICAL SKILLS

Testing

Functional · Regression · Smoke · API · Performance · Exploratory

Tools

Selenium · Postman · Newman · JMeter · Veracode

Domain

US Healthcare · Payment Tech · Data De-ID · EDI · HIPAA

Data & SQL

SQL Queries · DB Validation · Test Data Management

Docs

Test Planning · Test Cases · Bug Reports · QA Docs

Soft Skills

Mentorship · Team Collaboration · Independent QA Lead

EDUCATION

Master of Computer Science (MCS)

Phoenix College of Management · Lincoln University College, Malaysia

Mar 2024 – Expected 2026 · CGPA: 3.94/4.00
Semesters 1–3 Completed · Distinction in Sem 2 & 3

B.Sc. CSIT

Trinity International College · Tribhuvan University, Kathmandu

2016 – 2020 · 65.79% · Reg: 5-2-354-36-2016

CERTIFICATIONS

• QA Automation Training

Cedar Gate Technologies · Jun 2023 · 20 hrs

• EDI Workshop Certification

Cedar Gate Technologies · Jun 2023 · 6.5 hrs

• SQL for Testers

LinkedIn Learning · May 2024

• Proofpoint Overview Training

Cedar Gate Technologies · Feb 2025

• Annual Security Policy Training

Cedar Gate Technologies · Nov 2025
